

Without You:

Tuning: 7-limit just intonation

Tonic: D at 0¢ from A-440 12-ET

Notation is explained at en.xen.wiki/w/Kite's_color_notation

Piano score and source midi files at www.TallKite.com

All instrumental sounds are from the Yamaha s90es, tuned with alt-tuner

Mixed by Mark Frethem, "Doctor Digital"

Chords & lyrics:

(yBg7) I saw your son the other day

(yBs6) He's off to college, back in May

I (Ah7) guess he won't be coming 'round the way he (Dy) used to (Dh7 yBg7)

Another lonely day to fill

I go where I want, I do what I will

But when night comes, I still miss you

(Gh7) Ever since you gone away (zB^br6)

(Ch7) All my colors turn to gray (zB^br6)

I (Gh7) just can't take another day (zB^br6)

(Ah7) Trying to get through (yBs6(zg5) Gh7) without (Dy) you

I microwave another meal

Sunday's chicken, Monday's veal

Tuesday was the day I really couldn't stop thinking of you

Wasted days, sleepless nights

Empty house, empty life

I still don't know what I did to lose you

Ever since you gone away...

The chords are slightly different for the instrumental chorus:

Gh7 / / zB^br6 Ch7 / / zB^br6

G5,z7 / / zB^br C5,z7 / / zB^br

G5,z7 / / zB^br C5,z7 / / zB^br

G5,z7 / / zB^br Ah7 / / /

yBs6(zg5) / Gh7 /

Dh7 / / / / / /

From 2:00 to 2:20, from the second zB^br6 chord up until the Ah7 chord, the song is entirely pentatonic.

It uses the zo pentatonic scale, wG zB^b wC wD zF wG.
